

Full time SALARIED GP with a view to partnership

Lakeside Medical Practice - Thamesmead

We are seeking an enthusiastic, motivated and flexible GP to join our team, providing care to 15000+ patients plus 3 nursing homes. Ideally, the candidate will have experience of the needs and demands of a high density, urban list.

- Teaching/training practice
- Modern, purpose built PFI premises
- High QOF achievers
- Wide range of enhanced services
- Co-located with DNs and HVs
- Hosting a range of community-based services
- Excellent nursing and admin teams
- Full encouragement to develop special interests
- Emis LV/Docman

Partnership opportunity would be an option after a satisfactory period of mutual assessment. Preferably starting asap but prepared to wait for the right candidate.

Please email or call to express your interest or to arrange an informal practice visit: diane.simes@nhs.net 0208 320 5560.
